## Get more productivity by using less material. Upgrade to a Q-300 stretch wrapper.

Our most popular stretch wrapper!

If you're wrapping more than 20 loads per day, the cost of stretch film becomes a significant cost driver.

By upgrading to a machine with a power pre-stretch roll carriage like the Q-300, you can cut your film cost by 50-66%.

Choose from hundreds of options to customize your Q-300 to meet your specific requirements.
